### Outcome

 *Adjusting the date and time to match your region*

A manager or supervisor code may be required to change the date and time, please consult with your manager or supplier for assistance.

**\*\*\* Start Of Self Help Instructions \*\*\***

1. Exit sales screen and Select the CONFIGURE button.

2. Select Date & Time

3. Enter details that match your time zone, press Exit to save and return to main menu.

The screenshot shows a configuration interface with a sidebar on the left and a main content area on the right. The sidebar has a gear icon at the top, followed by the word 'Configure'. Below this are several menu items: 'POS Setting', 'Serial Port', 'External Device', 'FTP Setting', 'Mirroring', and 'Date & Time' (which is highlighted in purple). At the bottom of the sidebar are 'Configure File' (purple) and 'Exit' (red) buttons. The main content area displays the 'Date & Time' configuration screen. A red box highlights the 'Date & Time' section, which includes a 'Time Zone' dropdown menu set to 'Sydney, Canberra', a 'Date' field with '16/02/2021', and a 'Time' field with '23:12:35'. Below this section are two unchecked checkboxes: 'Time Server POS' and 'Internet time server'. The 'Internet time server' section includes an 'IRC ID' field with '1' and a 'Server' field with '129.6.15.29', along with an 'Update now' button.
