Outcome

Apply and preset dollar amount discount or variable dollar discount.

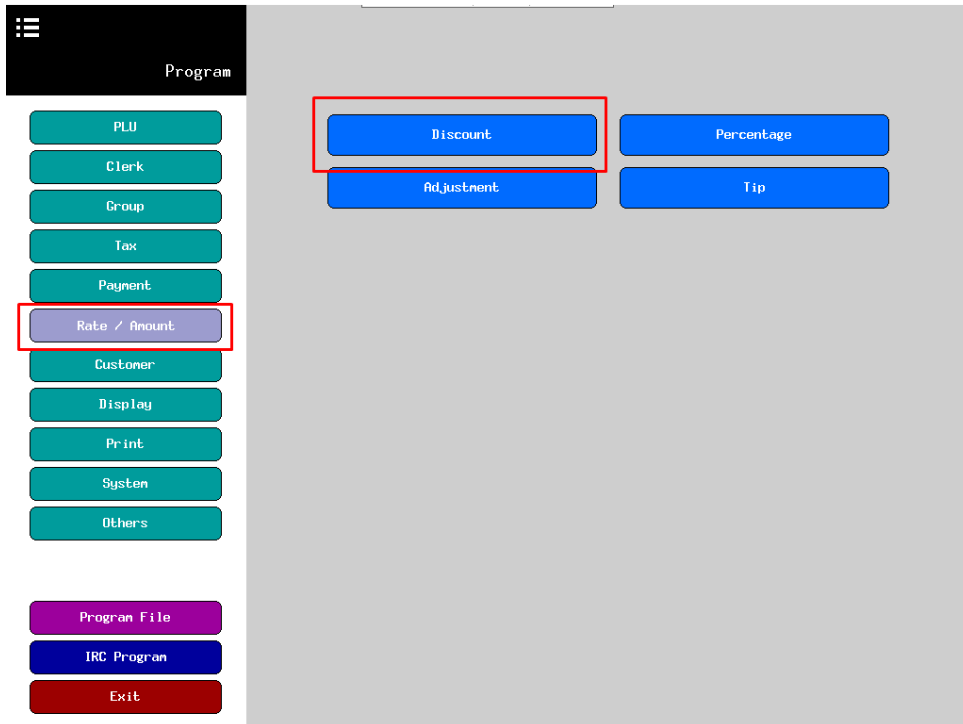

This is the simpler of the 2 methods to apply a fixed dollar discount, either preset or with manual override. Percentage discount is a more advanced tool and is covered in a related document.

*** Start Of Self Help Instructions ***

1. Exit the sales screen and select the 'PROGRAM' Tab.

2. Select 'RATE / AMOUNT' → 'DISCOUNT'.

- Enter the Value of the discount in the 'AMOUNT' tab, as this is a discount it is already a negative amount. If you would like to enter a variable amount in the sales screen then tick the box allowing 'Manual discount amount entry'. Click 'OK' to save and exit.
